F. BOYDEN, Esq., of the Exchange Hotel, Richmord, known everywhere says he has seen the Medleine called CARTER'S SPANISH MIXTURE, administered in over a hundred cases, in nearly all the diseases for which it is recommended, with the most astonishingly good results. AGUE AND FEVER-GREAT CURE.-I hereby certify that for three years I had Ague and Pever of the most violent description. I had several Phy sicians, took large quantities of Quinine, Mercury and I believe all the Tonics advertised, but all without permanent relief. At last I tried Carter's Spanish Mixture, two bottles of which effectually cured me, and I am happy to say I have had neither chills or fevers since. I consider it the best Tonic in this world, and the only medicine that ever JOHN LONGDEN. reached my case.

BEAVER DITCH, near Richmond, Va. C. B. LUCK, Esq., now in the city of Richmond and for many years in the Post Office, has such confidence in the astonishing efficacy of Carter's Spanish Mixture, that he has bought upwards of 58 bottles, which he has given away to the afflicted .-Mr. Luck says he has never known it to fall when

taken according to directions. Dr. MINGE, a practising Physician, and fo merly of the City Hotel, in the city of Richmond, says he has witnessed in a number of instances the eff-cts of Car er's Spanish Mixture, which were most truly surprising. He says in a case of Consumption, de-

pendent on the Liver, the good effects were wondarful indeed. SAMUEL M. DRINKER, of the firm of Drinker & Morris, Richmond, was cured cured of Liver Com-

plaint of three years standing, by the use of two bottles of Carter's Spanish Mixture. GREAT CURE OF SCROFULA .- The Editors of the Richmond Republican had a servant employed in their press room, cured of violent Scrofuls, com bined with Rheumatism, which entirely disabled him from work. Two bottles of Carter's Spanish Mixture made a perfect cure of him, and the Edi-

tors in a public notice, say they "cheerfully recommend it to all who are afflicted with any disease the blood." STILL ANOTHER CURE OF SCROFULA .- I had

a very valuable boy cured of Scrofula by Carter's Spanish Mixture. I consider it truly a valuable medicine. JAMES M. TAYLOR, Conductor on the R F. and P. R. R. Co., Richmond, Va. SALT RHEUM OF TWENTY YEARS STANDING CULED

Mr. JOHN THOMPSON, residing in the city of Richmond, was cured by three bottles of Carter's Spanish Mixture, of Salt Rheum, which he had for nearly twenty years, and which all the physicians of the city could not cure. Mr. Thompson is a well known marchant in the city of Richmondf and his is most zerarkable.

CAPTAIN CANOT. A UTHOR OF THE GREAT BOOK JUST BE-ING PUBLISHED, SPEARS OF HAMPTON'S GREAT CURE OF RESUMATISM CONTRACTED

UNDER TROPICAL CLIMATES. BALTIMORE, Md., June 4, 1854. Mr. Stockbridge, of the Fountain Hotel, Light street,

Dear Sir : Being on the point of leaving the city, avail myself of a few idle moments to thank you kindly for the medicine you sent me, and which has restored me to the use of my limbs. I beg you to send me four bottles more, to carry on my voyage. Since I had the fortune to use Dr. Hampton's Vege-table Tincture my confidence is so strong that, in gratitude to the proprietors of said medicine, I beg you to present my respects to them, and induce them to make it more publicly known as a sure Rheumatic cure. Having called on me on the 19th of April last, and seen me prostrated on my bed, useless in all my limbs, you can appreciate nearly as well as myself the prompt relief I received from Dr. Hampton's Tincture, and I am positive had i not been for your strong and foreible recommends.

tions I should still have been in bed. It is really a pity this specific should not be approved by medical men, and like all patent drugs it should suffer the imputation the public generally give to such preparations. I myself, who was a ways opposed to a patented specific, took this medi cine with reluctance, and without confidence in it and it was only through your disinterested, friendly recommendations, and my critical situation that induced me to try this really beneficial Vegetable

Tinsture. You may inform Messrs. Mortimer & Mowbray that they are at liberty to make use of my name in the support of the good effects of Dr. Hampton's Vegetable Tincture, as it has cured me in five week of a chronic Inflammatory Rheumatism, contracted under tropical climates, and of seven years' periodical duration. I have only used three bottles, and find that even the deformed parts of my hands are fast returning to their former natural appearance.

I have been under the treatment of several physicians in London and Paris, without any apparent benefit; also, while in New York, having tried the Thompsonian and Homopathic remedies, after having been tormented with galvanic batteries, cold and aromatic baths, and hundreds of internal and external medicines, all to no effect, I am, so far, cured by this Hampton's Vege able Tineture only. Therefore, my dear sir, accept of the assurance of my gratitude, and believe me your well wisher.

THOMAS CANOT. REV. VERNON ESKRIDGE, U. S. N. PORTEMOUTH, VA., Aug. 18, 1851. Mr. J. E. Boush-Dear sir : While I am, in general, opposed to patent medicines, cander compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family; and in dyspepsia, loss of appetite, dissiness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy. I am, respectfully, yours,

VERNON ESKRIDGE. Chaplain, United States Navy. HOME TESTIMONY.

I have used different medicines from time to time, but have never been able to account for any apparent good, and it is a blessing to stricken humanity that that medicine is found which possesses the wonderous power of pro-longing human life. SURGICAL OPERATION ON THE CHEST-DISPLACING THE HEART IN A LIVING Body.—The Eastern (Me.) Argus, of the 7th inst., says: On the 3d of the present month, Mr. Alphonzo Bickford, of Palmyra, Me., had his chest tapped, and the almost incredible amount of nine pints of fluid, in all its characteristics resembling pus, taken therefrom! The operation was performed by Dr. J. C. Manson, of Pittsfield, advised and assisted by Dr. Benson, of Newport. The fluid was situated in the left side of the chest, and consequently the heart very much displaced; so much so, that it could be distinctly felt beating two inches upon deceased, to date from August 15, 1854. the right of the sternum or medium line Albert J.
